- Starts at 1 pm at FAC
- Please RSVP to the FAC at 801-746-4445

Mayor's Message

Dear South Weber Residents,

We are in the process of finding a new city manager. Meanwhile, our City Staff has been awesome! Mark McRae, our financial supervisor, has been acting as Interim City Manager and has done an excellent job. The rest of the staff have been working with him to take on extra duties during this transition period. I would like to thank our staff for carrying this extra load, and I applaud all their efforts to keep this City running smoothly.

For those of you who have been suffering from **Chronic Odiferous Putrescence Extraordinaire** (a.k.a. the dump stench), there may be a light at the end of the tunnel. I have had three meetings with Wasatch Integrated Waste in the past two weeks, and they are very excited about two promising remedies. First, they are testing a sort of glorified Saran Wrap that they apply daily to fresh refuse. This cover appears to be more effective at holding odor than the previous 6-inch dirt cover they have used in the past. They are also bidding out for construction of a permanent (final) cover to be applied to the north and northeast perimeter of the active landfill (the portion closest to South Weber). This would cover about 385,000 Sq. feet of garbage and move the active portion of the landfill further to the southwest by about 270 feet. This cover should be completed by the end of June. For more information, please visit the South Weber City Website. (Cont. Page 2)

Daylight Savings will begin on Sunday, March 11 at 2:00 am

Mayor's Message (Continued)

South Weber City will be sending you a parks and recreation survey in the mail. This survey will help our City to find out what the citizens want and how we should use our parks and recreation fund for the greatest benefit to our community. Please make sure you fill it out and send it back in. This is a great way to make your voices heard.

Finally, please mark the dates on your calendar (August 4 – 11) for SW Country Fair Days, and free up your schedule so that you and your family can support this rich tradition. Please consider making a donation, sponsoring an event, or volunteering to help out. Above all, come and participate in the many fun activities people have worked so hard on to make this Fair a great event for everyone. Please call Holly Williams (801-628-1226) or Tani Lynch (801-603-3456) to see what you can do to help out. The more participation we have, the stronger our community will become.

Thanks for all you are doing to make South Weber such an awesome place to live!

Sincerely,

Mayor Jo Sjoblom

2018 Summerfest International Art and

Folk Festival

Summerfest is a free community event hosted by the Bountiful Davis Art Center and is made possible with the help of volunteers and support from the cities of Davis County. Right now, the coordinators of this event are looking for families willing to help host their international dance, music, and culture groups. If you think you might like to host international visitors in your home from Sunday, August 5, 2018 to Sunday August 12, 2018, please contact James Bates at 801-295-3618 or james@bdac.org.

For more information on the festival, visit their website at www.bdac.org/summerfest.

--A Message from Lieutenant Brandon Randy, Davis County Sheriff's Office--

Greetings South Weber Residents,

On February 6th, I had a package stolen from my front porch in Hooper. The video from my security cameras showed the package had been delivered four minutes before the thief parked in front of my residence where he sat for another 14 minutes before walking up to my porch, grabbing the package, and walking away. Through my video, I was able to identify the make, model, and color of the vehicle, as well as some features of the suspect. A report was filed with Weber County Sheriff's Office, and we shared the video with immediate neighbors and on the Hooper City Citizen's Facebook Page. I received significant information from my neighbors that assisted in identifying this individual. There were a couple of my neighbors who also had packages stolen on the same day, but did not report it, and neighbors that had spotted this guy casing our neighborhood at least a week prior and maybe even months prior. It was evident that this was not a crime of opportunity. He had a plan and came to our neighborhood with intent to commit a crime. Boy, did this guy mess with the wrong neighborhood.

What can we learn from this incident? First, the minimum penalty for a mail theft conviction is a Class A Misdemeanor with up to one year in jail and up to \$2,500 fine for each offense. When multiple residences are hit in a neighborhood, the result is multiple Class A Misdemeanors. Please do not hesitate to report criminal activity. Odds are, if it happened to you, more than likely it happened to one of your neighbors. By everyone filing a report, a network is created with details from each incident, adding pieces to the puzzle, and bettering the chance to catch the criminal. Utilize your neighbors and community web pages to share information when you are a victim of a property crime or observe suspicious behavior. Second, if you see a suspicious vehicle in your neighborhood, take a minute to write down the date, time, and license plate number. You can throw the note in your kitchen junk drawer where you can find it later if needed. If you end up not needing it, you can throw it away in 4 – 5 years. It is imperative that we do not tolerate criminal behavior in our neighborhoods. We are all accountable for the safety and security of our neighbors and cannot just rely on the police to keep us safe. So, please report any criminal or suspicious activity to the Sheriff's Office, with your neighbors, and follow South Weber City's Facebook Page. Check out the response that I got by visiting Hooper City Citizens Facebook Page. It's quite a network and very effective in keeping this from happening again.

Stay Safe South Weber!

Fire Department

Over the next few months, we will be assisting with controlled burns in our area to help mitigate some fire hazard areas. Also, the Fire Chief and Fire Marshal will be addressing hazard areas of the community that we would have a difficult time protecting if there were a fire. We would encourage those concerned to contact the Fire Marshal at 801-540-7094 to schedule a hazard inspection of their property or surrounding properties.

We will soon be receiving updated manufacturing pictures of our new engine and we will share them on our Facebook page. Please visit our page regularly to keep informed of special city events, emergencies, and general safety information. Be safe out there!

South Weber Fire Department

Code Enforcement

It's a great time to get those trees and shrubs trimmed so that they are clearing at least 7 feet above a sidewalk and 14 feet from the curb of the road. For any question, please feel free to give me a call at 801-540-7094 or visit our website at www.southwebercity.com under our City Code.

Chris Tremea

Fall & Winter Hours

Monday - Thursday:

5:00 am - 8:30 am,
3:30 pm - 10:00 pm

Friday:

THE FAMILY ACTIVITY CENTER

1181 East Lester Drive, South Weber City, UT 84405 801-476-4445

- All Summer Sports registrations will begin on March 5th and will end on April 14th. (T-Ball, Coach Pitch, Girls Softball, and Boys Baseball)
- Senior Lunch will be held Friday, April 13th @ 1 pm. Please RSVP.
- Spring Soccer Registration is still open and will end April 7th.

Storm Water and Drain

South Weber City ordinance prohibits dumping or storing dirt, mulch, gravel, etc. on city streets. New, more stringent EPA rules closely regulate what goes into storm drains and South Weber City could receive fines for allowing dirt or debris to be placed on city streets. Citations could be issued to residents/contractors/developers who put dirt, mulch, gravel, etc. on city streets.

Many times people pollute water and don't know they are doing it. Now you know, here are a few things you can do:

- Wash the family car on the lawn, not on the road or driveway.
- Never dump anything down the storm drain. It is meant only for rainwater.
- Clean up after your pet. Bring bags along when you walk your dog and encourage others to do the same.
- Don't leave grass clippings and leaves in the street when you do the yard work. Use them for fertilizer, compost them, or bag them.
- Don't litter.
- Use water wisely and encourage others to do the same.
- Don't put gas or motor oil in the gutter.
- Don't put household cleaners or paint in the gutter.
- Don't wash pesticides or solvents down the gutter.
- Don't wash radiator fluid down the gutter.

If you have any questions regarding what you can or can't put down your storm drain, please feel free to contact us at 801-479-3177 or go to our website at: <http://southwebercity.com/government/departments/public-works/>

South Weber City Egg Hunt

South Weber's Youth City Council will be hosting our annual Easter Egg hunt on March 26, 2018 at Cherry Farms Park. The starting siren will go off at 5:30 pm.

Business Licenses

Please be aware that a 100% Penalty has now been assessed to the license fee for all 2018 business license renewals which have not been paid. If the renewal requirements haven't taken place by April 1st, the license will be deemed as inactive.

If you have any questions or concerns, please contact Kim Guill at kguill@southwebercity.com or at 801-479-3177 ext. 201.
