Community Service Plan for South Weber Court

You have the right to REQUEST community service in place of payment for fines or fees. The judge will consider granting community service after you provide a written plan during court. Your service must be approved before any work is done. If granted, you will be given credit at \$10/hour.

Proof of completion should be provided to the court written on company letterhead and signed by a supervisor with a contact number. Hours will be verified before credit is given.
