

Dear South Weber Residents,

First of all, I would like to congratulate Hayley Alberts, Quin Soderquist, and Blair Halverson on their election wins! We are very excited for this new Council and know we will accomplish great things for our City. We would also like to thank Kent Hyer and Merv Taylor for the great service they have provided on Council these past four years. They will be missed, but we wish them luck in their future endeavors.

### **Mayor's Message**

Well, it seems that winter is upon us. I hope you are all bundling up and keeping warm. Please remember not to park on the roads until March. We want to keep our roads as safe as possible through the icy winter months. Please also remember to keep your sidewalks clear. There are a good number of residents that continue to walk and run outside through the winter months; hats off to those brave souls!

The general plan draft is coming along nicely. There has been a lot of public input and many changes have been made. The road formerly called "South Bench Drive" has been broken up to cater more to residents and less to surrounding communities. The number of units per acre in high-density housing zones has been reduced. Residents will probably see the second draft of the general plan come out some time near the beginning of 2020. We will be requesting your input again but will work to make the survey quicker and easier to navigate.

I sure hope you all have a wonderful holiday season and celebrate it the best way you know how. I really look forward to spending a lot of time with my family and hope you will all have the opportunity to as well. Thanks for being such a great community to live and work in!

Happy Holidays!

-Mayor Jo

## 'Tis the Season!

South Weber City is working with the Department of Child Family Services again to sponsor an Angel Tree this year!

Starting November 18 until December 16th, please come by the City Offices to pick up a name or two to help give children in need a joyful holiday. We ask that you try to fulfill as much of each child's list as possible.

All gifts are to be unwrapped and kept together in a box (or something similar) for each individual child, with the Angel Tree form attached. Gifts must be delivered to the City Offices by December 16th no later than 5:30 pm.

If you have any questions, please call the City Offices during regularly scheduled business hours. Thank you for your willingness to help others this Holiday Season!

## Family Activity Center

South Weber City and our Youth City Council are excited about our annual Breakfast with Santa on December 7th. Breakfast will be served from 8:00—9:30 am. Santa will arrive at 10:00 am. \$1 per person. There will be a blow up house and slide.

Senior Lunch Friday, December 13th @ 1:00 pm at the FAC. Please RSVP to 801-476-4445

### *Christmas Schedule*

## Business License Renewal

Business License Renewal forms have already been mailed out, so please keep an eye out for your renewal form in the mail and get that signed and returned back to us with your payment ASAP. **All renewals are due back by December 31, 2019 and are considered late after that date!** Please be aware that a 50% penalty will be assessed to the license fee for all license renewals that have not been paid by January 31, 2020, and a 100% penalty will be assessed to the fee for any business license renewal which is not paid by February 28, 2020.

Please contact Kimberli Guill at [kguill@southwebercity.com](mailto:kguill@southwebercity.com) or call at 801-479-3177 ext. 2205 with any questions or to schedule you **fire inspection**. Slots fill up fast during the holiday season, so please do not wait until the last minute to call and get those scheduled.

**\*\*If you have a home business with no patrons coming to your home, you will not receive a renewal form, because we no longer track/renew those types of Home Occupation Licenses.\*\***

**City Hall will be closed on December 25 and January 1 in celebration of Christmas and New Year's Day!**

## Christmas Tree Pick Up

Robinson Waste will be picking up Christmas trees on Wednesday, January 8, 2020. Please remove all lights and stands and place trees at the curb the night before. Any trees longer than 6 feet need to be cut in half. Please do not place trees in garbage collection containers as they will be picked up separately!

Thank you!

## Sunset Junior High School

Saturday, December 07, 2019

Layton

1780 North Woodland Park Drive

12556965

Please present this voucher prior to making your purchase. A percentage of the net sale will be contributed to your school/organization.\*

## **Snow Removal**

As the winter season approaches, please be mindful of keeping sidewalks by your property clear of snow. The failure to remove snow on sidewalks and shoulders causes frequent slips and falls for pedestrians.

## **Keep Fire Hydrants Clear**

At minimum, fire hydrants need to have enough snow or vegetation cleared away to be visible from the street. The best option is to clear a 3 foot circle around the fire hydrant, so firefighters have complete access in an emergency. In addition, don't forget to keep hydrants and fire lanes clear of vehicles at all times.

## **Christmas Lights**

-Minimize stringing too many strands together, ensure you follow manufacturer recommendations.

-Check strands before installing to make sure there are no loose wires, broken bulbs, or other faults in the lights.

-When installing lights, install them in dry conditions, ensure you have proper ladder placement, and make someone aware that you are installing them in case of an accident.

## **Christmas Trees**

-Choose a healthy tree with fresh, green needles that do not fall off when touched.

-Immediately before placing a tree in its stand, cut 5 cm (2 in.) from the base of the trunk; this can help the tree to draw up water. If the cut surface is allowed to dry, it will reduce the water uptake to the tree.

-Always keep the tree well-watered. Make sure to check the water level in the stand daily.

-Make sure that the tree is at least three feet away from any heat source (e.g. space heaters, candles, fireplaces, heat vents, or lights).

-Make sure that the tree does not block an exit.

-Only use decorative lights that have the label of a recognized testing lab. Make sure light bulbs, strings, and connections are not broken or damaged in any way.

-Always turn off tree lights before leaving home or going to bed.

-Never use lit candles to decorate the tree.

-Get rid of the tree after Christmas or when it is dry and keep it away from your home/garage.
