CITY COVERED UTILITIES

South Weber City charges each resident monthly for Culinary Water (not Secondary 'Water), Garbage, Sewer and Storm Sewer. Bills are mailed on the first of the month with payments due on the eighteenth. Upon move in, the homeowner will fill out a utility application (Ordinance 8-1-2). In doing so, the owner is accepting responsibility for these services until ownership of the home changes. At that time, it is the current owner's obligation to make sure the new owners come in to put services in their name.

Water and garbage will be shut off once we have notification of a move and not turned back on until ownership is changed at the City Office. Sewer and Storm Sewer services cannot be turned off and will continue to be charged even if the house is vacant as per City Ordinance 8-5-6. This also applies for those that leave for the winter or summer months (snow-birding).

City Garbage Pick-up is contracted with **Robinson Waste**. Their number is 801-825-3800. Garbage pick-up is on **Monday, Tuesday and Wednesday**.
