

# July 2019

Hello again, Good South Weber Residents,

It is finally finished! The crowning piece of our South Weber digital sign was just placed, and after 3 years of construction, the digital sign is finally complete!

Thanks so much to Mike and Jill Bastian and family for donating the beautiful metal plates atop the digital sign that reads, "South Weber City, Settled 1851." This good family joins the countless number of residents who have donated time, resources, and supplies to make this sign possible. I feel so blessed to be a part of such an awesome community. Thank you all!

## Mayor's Message

Our City Engineer is working with UDOT to make the lines on this bridge more bicycle and pedestrian friendly. It's nice to see the construction of so many needed projects come to fruition. You saw the construction of curb & gutter and sidewalk on the south side of South Weber Dr. across from Sky Haven Cove, and now we're working on completing the curb & gutter and sidewalk on the north side of South Weber Dr. just east of 475 E. These projects are to be completed prior to UDOT's mill and overlay of South Weber Drive. Please take the time to drive slowly and cautiously through these construction zones, as safety is South Weber City's #1 priority!

And, finally, a word on our property tax increase. Thanks to all of you who have taken time to review the many reasons the City has laid out on social media, the City Website, and in our monthly newsletter to justify the increase. Please feel free to contact David Larson, our City Manager, me your Mayor, or any of the City Council Members with any questions or concerns you might have. We will also present the information at an open house on July 16, and we will have a Truth in Taxation Hearing on Aug. 13. This is a painful subject and a very difficult decision for any council to make; an action that is never popular and often contentious. And yet, all six members of the Council feel obligated and compelled to take a stand and stop the downward slide. Such a unified Council is a strong indication of the dire necessity for such an increase.

Don't forget to register for Country Fair Days! I hope you are all having an awesome summer!

- Mayor Jo

## Fire Department

Please adhere to the special fireworks restrictions for our city. You can find the restrictions map on our Facebook page as well as the city's website.

There were no changes from last year and it will be strictly enforced by the Sheriff's office. Please be safe when discharging any type of firework and remember that a few minutes of fun can quickly turn into injuries that perhaps last a lifetime.

The State mandates the legal time period for sales and discharging of fireworks and there have been strict measures taken for enforcement by all local law enforcement agencies.

## Code Enforcement

For those of you that use the Park and Ride you may have noticed permits that are on the large vehicles. These permits are bright orange and easily seen by law enforcement when patrolling and if needs be have the vehicles towed. All vehicles staying longer than 24 hours will be required to have a permit that can be issued with approval of the city. This will take care of or limit any nuisance complaints, drug harboring, or even trafficking. If you notice any illegal activity at the Park and Ride please contact the Davis County Sheriffs Office.

## Transportation Utility Fee

July begins year 3 of the initial 7 year TUF plan. The monthly amount increased to \$15 and is planned to hold steady for 4 years. The City has completed the following projects with TUF money: 2530 E, 2300 E, 2325 E, 7925 S, 2310 E, 7450 S, 1200 E, 1100 E, 1250 E, 1375 E, Canyon Dr, Cottonwood Dr, 7870 S, 2600 E.

This summer's TUF projects include the following:  
Mill & Overlay — 2475 E & 8150S with cul-de-sacs  
Chip Seal — Daniel Drive & 7870 S, 1375 E  
Crack Seal — 1900 E, Deer Run Drive plus cul-de-sacs  
Chip & Crack Seal — 2350 E, 7875 S, 2175 E, 2250 E
