AGENDA ITEM

Davis County Suicide Postvention Plan

PURPOSE

Learn about resources for families who lose a loved one to suicide

RECOMMENDATION

NA

BACKGROUND

Representatives from the Davis County Sheriff's Office (DCSO) will present information on the County's Suicide Postvention Plan to make resources more widely known for families who lose a loved one to suicide.

To be clear, this is not about suicide prevention, which is a critically important topic as well, but about where to turn to for help and resources after a suicide occurs.

SOUTH WEBER CITY CITY COUNCIL WORK MEETING

MEETING DATE: 25 February 2025

TIME COMMENCED: 4:30 p.m.

LOCATION: South Weber City Office 1600 East South Weber Drive, South Weber, UT

WORK MEETING ATTENDEES:

David Larson, Brett Baltazar, Joel Dills, Blair Halverson, Angie Petty, Wayne Winsor, Mayor Westbrook, Brandon Jones, Lisa Smith, Michelle Clark, Michael Grant, and Paul Sturm.

City Manager David Larson reviewed the 7375 South 925 East Project and explained the project is broken down by individual funds. The three elements of the project are streets, water, and storm drain.

FUND	COST ESTIMATE
STREETS (TUF)	\$275,684.75
STREETS (CLASS C/OTHER)	\$1,534,932.00
WATER (UTILITY)	\$886,986.25
STORM DRAIN (IMPACT FEE)	\$995,467.25
STORM DRAIN (UTILITY)	\$668,127.25
TOTAL	\$4,361,197.50

Mr. Larson explained that because of the connection with Lester Drive to 7375 South, it is necessary to widen the road and install sidewalks along both sides of 7375 South. Councilman Halverson added this project will connect the utilities to South Weber Drive. City Engineer Brandon Jones explained the increase in cost is due to these being three major projects. He noted the immediate need is to widen the road to city standards at 7375 South and 925 East. He also conveyed there is no current storm water connection in this area. Councilman Dills queried what creates the urgency for this project. Mr. Jones replied this project was planned years ago knowing there would eventually be a connection with Lester Drive to 7375 South as per the city's general plan. Mayor Westbrook discussed this project helping to improve safety for traveling and children walking to the elementary school. Councilman Halverson pointed out the Public Works Department installed a gravel path for pedestrian travel. He also discussed the connection of this road creating another ingress/egress to South Weber Elementary School. Councilman Dills questioned if sidewalk can be installed first. Mr. Jones discussed the difficulty of installing sidewalk before curb and gutter. Mr. Larson reviewed the cost estimate and funds. He added Finance Director Brett Baltazar has researched, reviewed, and estimated funds that can go toward each project.

FUND	COST ESTIMATE	FEE IN LIEU (CREDITS)	FUNDS NEEDED	AVAILABLE \$	DEFICIT Y/N
STREETS (TUF)	\$275,684.75		\$275,684.75	\$507,724.57	N \$232,039.82
STREETS (CLASS C/ARPA)	\$1,534,932.00	(\$78,503)	\$1,456,429	\$1,251,118	Y \$205,310.70
WATER (UTILITY)	\$886,986.25	(\$4,300)	\$882,686.25	\$596,056	Y \$286,630.25
STORM DRAIN (IMPACT FEE)	\$995,467.25		\$995,467.25	\$0	Y \$995,467.25
STORM DRAIN (UTILITY)	\$668,127.25	(\$42,465)	\$625,662.25	\$705,871	N \$80,208.75
TOTAL	\$4,361,197.50	(\$125,268)	\$4,235,929.50	\$3,060,769.57	

Councilman Winsor voiced it makes sense to do all three projects at once with the road being torn up and the need for storm drainage in this area. Mayor Westbrook estimated the city is four or five years out to fund the whole project. Mr. Jones discussed the possibility of just installing the sidewalk right now. Mayor Westbrook suggested improving the gravel trail. Councilman Halverson added asphaltting the trail so that it can be plowed. Councilman Winsor noted there will be more projects coming up in the next several years that will create bigger issues with funding. Finance Director Bret Baltazar announced he has spent time researching revenue and current debt and because of the need to fund such a large project, city staff are not recommending doing this project at this time. The Council agreed the main concern right now is pedestrian safety. Direction was given to improve the gravel trail as a temporary fix.

Mr. Larson explained that Robinson Waste Services’ monthly fee is \$2.50/month which includes purchase, assembly, and delivery of all blue cans needed for rolling out the program. At the end of three years the city will own the cans as required for eligibility of the \$15/can reimbursement grant. Delivery would take place 2 to 3 weeks prior to the first week of recycling pick-up (Monday, June 30).

RECYCLE PROGRAM

PRESENTATIONS**4. Utah Transit Authority Five-Year Service Plan and Davis-SLC Connector by Trustee Beth Holbrook**

Trustee for Utah Transit Authority Beth Holbrook discussed the five-year service plan. She discussed modified routes and proposed changes. A new express route is in the plan and will provide all-day 15-minute serves between Farmington Frontrunner Station and Research Park at the University of Utah. She expressed for every \$1 invested in UTA generates \$5.11 in economic returns for the state of Utah. The City Council and Mayor thanked Ms. Holbrook for her report.

5. Annual Comprehensive Financial Report

Councilman Winsor reported each fiscal year South Weber City is required to have an independent audit of the city's financial statements. The city contracted with K & C to perform the year-end financial closing processes and Gilbert & Stewart to perform the audit. The Audit Committee consisting of Mayor Westbrook, Council Member Wayne Winsor, City Recorder Lisa Smith, City Treasurer Tia Jensen, City Manager David Larson, and Gilbert & Stewart representative Ron Stewart, met on Tuesday, 2/18/2025 to review and discuss the report. Councilman Winsor expressed the audit came in with no findings. Ron Stewart discussed the auditors' review process and what they are looking for. He affirmed that through testing and evaluation, the numbers in front of the council meet accounting standards. The city is also in compliance with state auditor standards. Councilman Winsor thanked those involved with the audit.

11. Public Hearing on Declaring Park Playground Equipment as Surplus

Trust representative Jason Watterson and Parks Manager Chay Olson did a risk assessment of all the parks in December 2023. Several high-risk problems were found at Cherry Farms Park. Chay took the findings to the Parks Committee, and they were assessed to be a high priority.

Mayor Westbroek asked if there was any public comment. There was none.

Councilman Davis moved to close the public hearing on declaring park playground equipment as surplus. Councilman Winsor seconded the motion. Mayor Westbroek called for a voice vote. Council Members Davis, Dills, Halverson, Petty, and Winsor voted aye. The motion carried.

----- PUBLIC HEARING CLOSED -----

12. Resolution 25-07: Declaring Cherry Farms Playground Equipment as Surplus

Discussion took place regarding citizen interest in purchasing the old equipment. City Attorney Jayme Blakesley conveyed if the city has knowledge the equipment is unsafe, then there would be a risk with someone taking any of the equipment. It can also be sold “as is” and have the buyer sign an agreement releasing the city of any liability. City Manager David Larson discussed equal opportunities for individuals interested and the logistics of removal may be difficult.

Councilman Halverson moved to approve Resolution 25-07: Declaring Cherry Farms Playground Equipment as Surplus. Councilman Winsor seconded the motion. Mayor Westbroek called for a roll call vote. Council Members Davis, Dills, Halverson, Petty, and Winsor voted aye. The motion carried.

----- **PUBLIC HEARING OPENED** -----

15. Public Hearing on Declaring Multiple Vehicles as Surplus

Under the direction of Unified Fleet Services, city staff established a 3-year rotation schedule for most of the fleet vehicles. For the fiscal year 2025, 7 from the Public Works Department and the Fire Department will be replaced with new vehicles. The proceeds received will be put back into the fleet management fund.

Mayor Westbroek asked if there was any public comment. There was none.

Councilman Halverson moved to close the public hearing for the declaring of multiple vehicles as surplus. Councilwoman Petty seconded the motion. Mayor Westbrook called for a voice vote. Council Members Davis, Dills, Halverson, Petty, and Winsor voted aye. The motion carried.

----- **PUBLIC HEARING CLOSED** -----

16. Resolution 25-08: Declaring Seven Vehicles as Surplus

Councilman Halverson stated it was his understanding the brush trucks were not going to be included in the surplus. Councilman Halverson discussed the brush trucks being identified as an “apparatus” and should not be on the lease rotation.

Councilwoman Petty moved to approve Resolution 25-08: Declaring Seven Vehicles as Surplus with the amendment of removing 2022 Ford F-550 (Fire Brush-1) 1FD0W5HT5NED55861 and 2022 Ford F-550 (Fire Brush-2) 1FD0W5HT3NED55860. Councilman Halverson seconded the motion. Mayor Westbrook called for a roll call vote. Council Members Davis, Dills, Halverson, Petty, and Winsor voted aye. The motion carried.

DISCUSSION ITEMS

17. Legislative Review

City Manager David Larson reported there has been a lot of discussion concerning HB 355 – concerning mining and critical infrastructure materials operation of gravel pits. It will most likely pass the House but there is a question as to whether it will pass the Senate. He reported on SB 310 dealing with a municipality's or county's ability to impose a transportation utility fee, and HB 454 which modifies and enacts provisions related to municipal and county fees.

Utah Leagues of Cities and Towns supports HB 542 amending provisions of the Governor's Office of Economic Opportunity, and SB 277 creating the Government Records Office within the Division of Archives and Records Service and replaces the State Records Committee with the director of the office, who is an attorney with knowledge and experience relating to government records law and makes other changes relating to government records.

18. Public Works Facility Update

South Weber City is currently constructing a new Public Works Facility at 104 East South Weber Drive that will include a main building, vehicle storage building, and material storage building. The facility is being constructed by Valley Design and Construction, Inc. (VDC).
