### Lead Together

We strive to follow the Junior Bees *Lead Together* initiative. This initiative invites everyone to be a leader and calls on everyone involved to be kinder and more respectful with our words and actions. Avoiding the negative, we focus on the positive and empower those that show respect, leadership, kindness, sportsmanship, and positivity. If we all take the lead together, hate falls behind.

**The purpose of this league is to have fun, develop skills, and practice good sportsmanship.**
