Mayor's Message

Hello South Weber Folk! I am pleased to inform you that South Weber City is the proud recipient of a brand-new city manager! David Larson comes to us from Orem City. He has a Masters of Public Administration from BYU...but don't let that discourage you. I have been assured by numerous city managers that BYU is the most highly qualified university for students desiring to become city managers. He has served as the Assistant to the City Administrator of Pleasant Grove for the past six years. I am confident David is well prepared to move South Weber City forward into the future while maintaining our rich heritage. Welcome, David! We're so excited to have you here!

South Weber City is also the proud owner of our very own dog park, the Happy Hounds Playground! You will find the park at 2020 E. in the cul-de-sac just off Deer Run Drive. Our grand opening will be held on June 5 at 6 pm at the dog park. Come and join the festivities! This dog park is open on a trial basis. We want this to be a positive addition to our community, so please be respectful of the City, surrounding neighbors, and park patrons by taking special care to clean up after your pets. Doggie clean-up bags will be provided at the entrance of the park. Continued amenities of this park will be contingent upon the respect and cleanliness of its patrons.

Many of you have asked about the construction going on at the corner of 475 E. South Weber Drive. This will be the future home of "Country Lane at South Weber", an assisted living center. It will consist of 30 beds - 18 assisted care and 12 memory care. The center is scheduled to be completed by the beginning of 2019.

It's graduation and summer vacation time. We hope you all enjoy the long, lazy days of summer.

-Mayor Jo

City Manager's Minute

I'm happy to introduce myself—my name is David Larson. I'm so excited to be a part of South Weber City. I've already learned so much about this great community and know that the more I learn, the more I'll love it.

I appreciate the wonderful people I've already met who have made my family and me feel welcome—thank you. South Weber is an amazing community and I'm very grateful to be part of the team!

Summerfest International Art and Folk Festival

Our international performers need places to stay during Summerfest! If you think you might like to host international visitors in your home from Sunday, August 5, 2018 to Sunday, August 12, 2018, contact James: 801-295-3618 or james@bdac.org.

This event is for the community and made possible with the help of wonderful volunteers and support from the cities of Davis County and our sponsors. This community event is attended by nearly 20,000 guests, most from Davis County. The festival is a celebration of art, dance, music and culture and there is always a need for volunteers to help with the festival.

Code Enforcement Notes

Welcome to the season of solicitors! If you have a solicitor come to your door, please ensure that they have a current South Weber City badge. A South Weber City Solicitor's badge must always be worn in plain sight. Prior to a solicitor receiving a badge, it is required by law for them to have had a background check done. Please contact City Hall at 801-479-3177 or speak with Code Enforcement at the number below if you have any questions.

Over the last year, we have had a large increase in complaints about dogs being in the parks, and those complaints are very difficult to follow up on without help. Please feel free to contact Code Enforcement at 801-540-7094. To issue a citation through the courts, there must be proof of the animal being in an unauthorized park. To avoid citation, please keep in mind that a new dog park has opened on 2020 E just off Deer Run Drive.

Fire Department

Here are a few safety tips from our Fire Department on Fireworks Safety:

- Use fireworks outdoors only.
- Obey local laws.
- Always have water handy.
- Only use fireworks as intended. DO NOT try to alter them or combine them.
- Never re-light a "dud" firework (wait 20 minutes and then soak it in a bucket of water).
- Use common sense when using fireworks. Spectators should keep a safe distance from the fireworks. The person lighting the fireworks should wear safety glasses.
- Alcohol and fireworks do not mix! Have a "designated" person light fireworks
- Only persons over age 12 should be allowed to handle sparklers of any type.
- **DO NOT** ever use homemade fireworks or illegal explosives; they can kill! Report illegal explosives to the fire department (801-476-8907), or sheriff's office (801-444-2280).

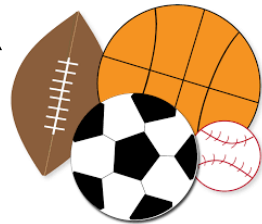

South Weber City has its own restrictions that can be found on the Fire Department's Facebook page, as well as the city's.
