Mayor's Corner

I hope you are all signed up to participate in this year's South Weber Country Fair Days! The festivities will begin this Saturday and we'll kick it off with the baby and little miss contests, and a golf and pickleball tournament! I am so confident in my pickleball skills that I will provide a free hot dog to anyone who can beat me in the tournament. No one should go hungry tonight!

Folks, on the Parks and Recreation Survey, you listed trails as your top priority. I have been working very hard to solicit help to ensure that UDOT will replace the existing bridge on US-89 over the Weber River and make it long enough and high enough to accommodate a trail underneath it. It is our City's goal to have this completed with US-89 construction commencing next summer and to ultimately connect the Weber River Trail to the Bonneville Shoreline Trail. We will continue to garner support from Davis County as well as the State.

I would like to give a special thanks to all the youth of the South Weber Stake and their leaders. They provided a whole lot of service for our City during their youth conference in June, including weeding, painting, clearing, and planting trees. You guys are awesome!!!

See you all at South Weber Country Fair Days!!!

-Mayor Jo Sjoblom

ATTENTION

There has been an increase in the City's Water Rate structure. Please make a note on your utility bill and adjust your automatic payments. For any questions, please visit our website under "Water Rate Increase"

Solicitors

Door to door solicitors in South Weber must have a solicitor's license and badge issued by the city. If you have solicitors in your area that do not have licenses, please report them to the Davis County Sheriff's Office at 801-444-2280

Fire Department

School zones, crosswalks, and children walking at sunrise can be a dangerous combination and it's all just around the corner. Please slow down and allow that extra time to be able to react to the situation.

We are very excited to start the ambulance service for our residents and other surrounding areas. We would like to give a special thank you to Layton Fire and Layton City for providing that service for the residents of South Weber in the past. We look forward to being able to assist Layton City as well if we are called upon.

We have at least 3 service projects available right now, so if you have or know anyone searching for one, please contact our Fire Marshall at 801-540-7094.

Come visit our hamburger stand during Country Fair Days which helps benefit our long-standing fire association.

Finally, save the date and mark those calendars, Fire Prevention Night is on Monday, October 1st from 5:30 to 8:00 pm. Fire Truck rides, food trucks, and fun safety education all makes for a fantastic family event.

Code Enforcement Notes

Do you have trees, bushes or any other items overhanging the sidewalk or street? Please get them cleared up so that you are not responsible for damaging garbage trucks, public works vehicles, or even fire trucks. Per City Code – 7.01.030:

It shall be unlawful for any person owning, occupying or having control of any premises to place or permit to be placed upon or in the sidewalk, parking area, gutter or on the half of the street next to such premises:

- A. Refuse: Any broken ware, glass, filth, rubbish, sweepings, refuse matter, ice, snow, water, garbage, ashes, tin cans or other like substances.
- B. Building Materials: Any wagons, lumber, wood boxes, fencing, building material, dead trees, tree stumps, merchandise or other thing which shall obstruct such public street, gutter, parking area or sidewalk, or any part thereof, or the passage over and upon the same, or any part thereof except as expressly authorized by ordinance, without the permission of the City Council first had and obtained.
- C. Permanent or Temporary Structures: Any permanent or temporary structure, mechanism, device, vehicle or other thing of any kind or character, except trees planted pursuant to the provisions of applicable ordinances.
- D. Height Limitations: All sidewalks shall be kept clear and unobstructed to a height of seven feet (7'). No vegetation shall be allowed to extend into the street past the curb face or the edge of the pavement where there is no curb to a height less than fourteen foot (14').

Also, please ensure that no part of a vehicle or any other item is obstructing any portion of the sidewalk.
