Tim Grubb, 6926 S 475 E: Addressed leasing of property adjacent to his land (Agenda item 4). Petersen family donation has specific requirements and this lease is subject to that contract. The barn needs to be protected and fenced to appropriately guard the barn which is in process of being restored. He is also concerned on how payment will be handled and suggested it should be paid in advance. Water and power from his land in the past has been used and should be secured with property owner (him) prior to the lease. He is in favor of the lease. He suggested a specific dollar amount be assigned for his utilities by the City Council.

Approval of Grant of License to Lisa Gidley for lease of city owned property:
