Taylor Walton, 7840 S. 2000 E., said he attended a meeting with the City Planner and City Manager in which they looked at development potential on west end of city and compatible land uses with Hill Air Force Base. He said some of the contours have changed with HAFB. He lives close to where the air craft turn off the runway. He said they make a lot of noise. He isn't sure if they are actually correct. He suggested looking at ways to mitigate some of those noises. He said the citizens need to be protected.

Discussion regarding updated Air Installations Compatible Use Zones Study with Hill Air Force Base: Mayor Sjoblom said the Air Force recently completed an updated Air Installations Compatible Use Zones (AICUZ) Study. The Study contains a summary of the affected area around the base and outlines the location of runway Clear Zones, aircraft Accident Potential
