

SOUTH WEBER CITY COUNCIL AGENDA

PUBLIC NOTICE is hereby given that the **City Council of SOUTH WEBER CITY**, Utah, will meet in a regular public meeting on **Tuesday, 11 October 2016** at the **City Council Chambers, 1600 E. South Weber Dr.**, commencing at **6:00 p.m.**

WORK MEETING:

4:30 p.m. UMCA Board Presentation
Special Recognition to Public Works Employee Zach McFarland for exemplary service

COUNCIL MEETING:

6:00 p.m. PLEDGE OF ALLEGIANCE – Council Member Poore
PRAYER - Council Member Taylor
APPROVAL OF AGENDA
DECLARATION OF CONFLICT OF INTEREST

1. CONSENT AGENDA:

- ◆ Approval of September 13, 2016 Meeting Minutes
- ◆ Approval of September 13, 2016 Work Meeting Minutes
- ◆ Approval of September 20, 2016 Work Meeting Minutes
- ◆ Approval of August 2016 Budget to Actual
- ◆ Approval of September 2016 Check Register

6:05 p.m.

2. ACTION ITEMS:

- a. **RES 16-29** Local Contractor Services Agreement Renewal with Keith Kap & Sons Excavating
- b. A Company Inc. Portable Restroom Contract Renewal 2016-2019 for CFD
- c. Motion to approve 2016 Sewer Outfall Replacement Project Bid
- d. Public Works Salt Shed

6:35 p.m.

3. DISCUSSION ITEMS:

- a. Cintas Contract
- b. Emergency Preparedness – Services Contract(s)
- c. Deer Run Dr. Chip & Seal Completion
- d. Agenda/Scheduling Changes

7:05 p.m.

4. CITY COUNCIL REPORT(S) ON DESIGNATED RESPONSIBILITIES

7:15 p.m.

5. **PUBLIC COMMENT:** Please keep public comments to 3 minutes or less per person (no action to be taken)

7:20 p.m.

6. **CLOSED MEETING** - as per UCA § Section 52-4-205(1)(a): Discussion of the character, professional competence, or physical, or mental health of an individual.

8:00 p.m.

7. ADJOURN

THE UNDERSIGNED DULY APPOINTED CITY RECORDER FOR THE MUNICIPALITY OF SOUTH WEBER CITY HEREBY CERTIFIES THAT A COPY OF THE FOREGOING NOTICE WAS MAILED, EMAILED, OR POSTED TO:

CITY OFFICE BUILDING

EACH MEMBER OF THE GOVERNING BODY

UTAH PUBLIC NOTICE WEBSITE

CITY WEBSITE www.southwebercity.com

THOSE LISTED ON THE AGENDA

www.pmn.utah.gov

DATE: October 6, 2016

CITY RECORDER: Elyse Greiner

IN COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT, INDIVIDUALS NEEDING SPECIAL ACCOMMODATIONS DURING THIS MEETING SHOULD NOTIFY THE CITY RECORDER, 1600 EAST SOUTH WEBER DRIVE, SOUTH WEBER, UTAH 84405 (801-479-3177) AT LEAST TWO DAYS PRIOR TO THE MEETING.

Agenda times are approximate and may be moved in order, sequence and time to meet the needs of the Council

SOUTH WEBER CITY CITY COUNCIL MEETING

DATE OF MEETING: 13 September 2016

TIME COMMENCED: 6:00 p.m.

PRESENT: MAYOR:

Tammy Long

COUNCILMEMBERS:

Scott Casas
Kent Hyer
Marlene Poore (excused)
Merv Taylor
Jo Sjoblom

CITY RECORDER:

Elyse Greiner

CITY MANAGER:

Tom Smith

CITY ATTORNEY:

Doug Ahlstrom

Transcriber: Minutes transcribed by Michelle Clark

VISITORS: Thom Wight, Quinn Tucker, Wayne Winsor, John McCall, Brent Poll, Farrell Poll, Raelene Miller, Roger Miller, Tim Grubb, Kelly Parke, Delene Hyde, Judy Barton, Grandon Brimley, DeAnn Hoggan, David Hoggan, Cheryl Bambrough, Brian Poll, Brent Petersen, Charles Poll, Trevor Schenck, Elizabeth Rice, and Chris Tremea.

Mayor Long called the meeting to order and welcomed those in attendance.

PLEDGE OF ALLEGIANCE: Council Member Hyer

PRAYER: Council Member Casas

AGENDA: Council Member Hyer moved to approve the agenda as written. Council Member Sjoblom seconded the motion. Elyse called for the vote. Council Members Casas, Hyer, Taylor and Sjoblom voted yes. The motion carried.

CONFLICT OF INTEREST: None

CONSENT AGENDA:

- Approval of August 23, 2016 Meeting Minutes
- Approval of August 23, 2016 Work Meeting Minutes
- Approval of July 2016 Budget to Actual
- Approval of August 2016 Check Register

Council Member Sjoblom moved to approve the consent agenda. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

ACTION ITEMS:

Council Member Sjoblom moved to open the public hearing for Ordinance 16-17. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING *******

Public Hearing on ORDINANCE 16-17: Rezone request for property located at approx. 128 E. South Weber Dr. (Parcel 13-005-0033), approx. 24.08 acres, be rezoned from an Agricultural Zone (A) to Commercial Recreation Zone (C-R), by applicant Kelly Parke:

Tom said the Planning Commission has given a recommendation for approval of this rezone. While the General Plan doesn't specifically project the Commercial Recreation zone to be there, it does call for open lands. Since HAFB has a no-build zone on the southern portion of the property for permanent residences due to the high noise level, a soccer field would be a great use for the property.

Mayor Long asked if there was any public comment. She reminded individuals, who wish to speak, to approach the pulpit, state their name and address, and they have three minutes to speak. Council Member Hyer said he will be timing individuals for three minutes.

Brent Poll, 7605 S. 1375 E., said he is in attendance to discuss pollution. He said every time the City Council approves development in west end, the City is putting people at risk. He hopes the Council read about cross polluted transfer. He said this is a super fund site. He said this has been going on since Mayor Bouchard. He has been studying this for 24 years with an advisor and we know that Hill Air Force Base is not going to clean up the pollution.

Delene Hyde, 349 E. 6650 S., said this developer is putting out a big investment. She said this is 25 acres that has the potential for more soccer fields. She said this property has a potential of 13 fields with this acreage. She discussed how many vehicles will be generated by soccer fields. She is concerned about increasing traffic on 6650 South, which is not a collector road. She said there have been other developments that have been denied because of access. She feels this development needs to find another out from this property and suggested the developer wait until the Kendell property is developed. She feels it is appalling that individuals have only three minutes to speak.

Trevor Schenck, 6455 Raymond Drive, would like to donate to his three minutes to Delene Hyde. He was told he could not do that.

Council Member Taylor moved to close the public hearing for Ordinance 16-17. Council Member Casas seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

***** **PUBLIC HEARING CLOSED** *****

Council Member Casas moved to approve Ordinance 16-17: Rezone request for property located at approx. 128 E. South Weber Dr. (Parcel 13-005-0033), approx. 24.08 acres, be rezoned from an Agricultural Zone (A) to Commercial Recreation Zone (C-R), by applicant Kelly Parke. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

RESOLUTION 16-31 Smith & Edwards Final Subdivision: Tom said this is a final plat for Smith & Edwards soccer development. All the requirements have been met by the applicant. The Planning Commission has recommended approval to the City Council.

Barry Burton, City Planner, said the access is coming off of South Weber Drive. Council Member Sjoblom asked about deterring traffic. Barry said the City has looked at alternatives in the past and suggested making 6650 South a one-way street or dead end street. He said it would make it a little less convenient for residents on 6650 South. Mayor Long asked if no parking can be posted on 6650 South. Barry said, "yes". He said this property is located in the noise zone and has an easement that does have some restrictions. Barry said there is sufficient parking with 78 stalls as well as overflow parking. He said the developer has said the soccer fields are not for recreational soccer.

Council Member Casas moved to approve RESOLUTION 16-31 Smith & Edwards Final Subdivision. Council Member Sjoblom seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

Council Member Taylor moved to open the public hearing for Ordinance 16-20. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

***** **PUBLIC HEARING** *****

Public Hearing on ORDINANCE 16-20: Amendment to Code Section 10.05M.6 (B) Buffer Yard Landscaping: Tom said the Planning Commission has made a favorable recommendation to the Council to approve of this ordinance amendment. Previously the Commercial Recreation Zone required a buffer yard (certain distance and amount of foliage; can be found in Code 10.15.070) between surrounding agricultural and residential zones. The Planning Commission felt that the developers putting in the soccer field would be met with undue hardship having to put a certain amount of vegetation around the 24 acres of property. They concluded that it also doesn't make sense to buffer agricultural property from recreation property. To lessen the burden for all developers, the buffer yard would only be required on sides adjacent to buildable residential zones.

It is recommended that Subsection 10.05M.6B of the South Weber City Code pertaining to buffer yard landscaping be amended as follows:

10.05M.6B Buffer Yard Landscaping

B. Buffer Yard Landscaping: Buffer Yard D landscaping shall be required between the CR zone and all residential zones, except where there are legal restrictions on the residential zoned property that prevent the construction of residences.

Tom said after discussing the amendment in the work session. The City Council is recommending amending it to Buffer Yard B. He explained that there is a section of approximately 50 ft. that would need to be buffered from the C-R Zone from the residential zone. Tom said the buffer yard does define the types of trees.

Mayor Long asked if there was any public comment.

Trevor Schenck, 6455 Raymond Drive, asked which buffer is the requirement.

Barry Burton said in each of the buffer yard classifications there are several options that can be chosen. He said the number of trees, shrubs, etc. varies with specific buffer yard. Tom said the buffer yard requirement is only required in a 50 ft. area of space where this would be required. Barry said it only applies to those properties that back up to residential property. He explained the need for the amendment is because the Planning Commission didn't see a need to buffer agricultural property. Doug Ahlstrom said from going from D to C reduces the number of evergreens, but B doesn't require the evergreens. Council Member Hyer said this will affect Trevor Schenck's property and he would recommend the developer meet with you to discuss options of trees. Barry said this is not just for a soccer complex but any other use in a C-R Zone throughout the City.

Mr. Schenck said previously the buffer was 30 ft. (with buffer yard D) and with buffer yard B it will go to a minimum of 10 ft.

Tim Grubb, 6926 S. 475 E., said if this is a recreation zone it will attract parks and openness. He said in this case, you would want the bigger set back.

Thom Wight, 1925 N. Rolling Oaks Layton, Utah, said he is willing to collaborate with Mr. Schenck, within reason, concerning the buffer yard. He said they have not designed anything yet.

Kelly Parke, 3393 W. 1700 N. Ogden, Utah, said they will try to be a good neighbor. He said the 50 ft. is in the area where there will be an open soccer field. He said the intent is two outdoor fields and one indoor facility.

Council Member Taylor moved to close the public hearing for Ordinance 16-20. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING CLOSED *******

Council Member Sjoblom is concerned about buffer yard B having a 10 ft minimum. She feels the code needs to be amended. Tom agrees the landscaping code needs to be visited. Doug Ahlstrom suggested changing the buffer yard from the proposed B to C.

Council Member Casas moved to approve Ordinance 16-20: Amendment to Code Section 10.05M.6 (B) Buffer Yard Landscaping: B. Buffer Yard Landscaping: Buffer Yard C landscaping shall be required between the CR zone and all residential zones, except where there are legal restrictions on the residential zoned property that prevent the construction of residences. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

Council Member Sjoblom moved to open the public hearing for Conditional Use Permit: application for South Weber Soccer Facility located at approx. 128 E. South Weber Dr. (Parcel 13-005-0033), approx. 12.21 acres, by developer Kelly Parke. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING *******

Public Hearing on Conditional Use Permit: application for South Weber Soccer Facility located at approx. 128 E. South Weber Dr. (Parcel 13-005-0033), approx. 12.21 acres, by developer Kelly Parke: The Conditional Use Permit is for a private-use indoor soccer facility and two outdoor soccer fields. The Planning Commission recommended approval subject to the items addressed in the City's Engineer's memo (dated 8/31/16) in addition that it meet the buffer yard ordinance (prior agenda item).

Brandon Jones memo of 31 August 2016 is as follows:

Our office has completed a review of the Plat and Improvement Plans for the Smith & Edwards Subdivision and associated South Weber Soccer Facility received on August 19th and 30th, 2016. We recommend approval, subject to the following comments and recommendations being addressed prior to final approval from the City Council.

1. **General.** The developer will need to comply with the UDOT Access Approval stipulations, the recommendations of the Geotechnical Report by GSH and the requirements of the South Weber Irrigation Company as previously discussed and recommended.

2. **Sewer Easement.** This set of plans does not show any sewer lateral from the building. We are assuming that the sewer lateral is still being proposed to be installed across the "T+R Ranches" property to the east. A separate easement document will be needed to allow the crossing of this property. However, this being a sewer lateral, it will be owned by the owner of the Soccer Facility. Therefore, the easement should be conveyed from "T+R Ranches" to the owner of the Soccer Facility, not the City. This easement will be needed prior to constructing the lateral or recording the plat, whichever one comes first. **This item has been addressed.**

3. **Plat.** No comments.

4. **Improvement Plans.** The following are items related to the improvements. a. Sheet #C3. The plans need to show the sewer lateral from the building to wherever it is being proposed (assumed to be in Raymond Drive).

Tom said all the requirements have been met.

Mayor Long asked if there was any public comment.

Delene Hyde, 349 E. 6650 S., feels a development agreement needs to be put in place limiting the access to this facility. She said a lot of the indoor fields play until 1:00 a.m. She would like to see a time limit. She said you have no idea what is going to happen today.

Trevor Schenck, 6455 Raymond Drive, said he is confused concerning what the setback requirement is.

Tim Grubb, 6926 S. 475 E., said with buffer yard C states they can be as close to 20' to the residential property.

Barry said the building is approximately 300' from the Schenck's property line and 50' from the soccer field. It was stated the amendment is as follows:

10.05M.6B Buffer Yard Landscaping

B. Buffer Yard Landscaping: Buffer Yard (C) landscaping shall be required between the CR zone and all residential zones, except where there are legal restrictions on the residential zoned property that prevent the construction of residences.

Mr. Schenk requested this requirement be put in the motion. Tom said when the City Council makes their motion they need to include what is being discussed.

Council Member Sjoblom moved to close the public hearing for Conditional Use Permit: application for South Weber Soccer Facility located at approx. 128 E. South Weber Dr. (Parcel 13-005-0033), approx. 12.21 acres, by developer Kelly Parke. Council Member Casas seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING CLOSED *******

Council Member Taylor apologized for being abrupt but they want to keep control of this meeting. He said the Council is sensitive to residents along 6650 South.

Council Member Hyer moved to approve the Conditional Use Permit: application for South Weber Soccer Facility located at approx. 128 E. South Weber Dr. (Parcel 13-005-0033), approx. 12.21 acres, by developer Kelly Parke subject to the following conditions:

- 1. Developer required to follow recommendation on geo technical report.**
- 2. Amendment to use buffer yard C.**
- 3. Approval by adjacent landowner Trevor Schenk as to types of foliage (subject to Code).**

4. **Intended use statement to be submitted by the developer and intention for the total acreage of property.**
5. **Include hours of operation from 6:00 a.m. to 10:00 p.m. Monday thru Saturday.**

Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

Council Member Hyer moved to open the public hearing for Ordinance 16-18. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING *******

Public Hearing on ORDINANCE 16-18: Rezone request for property located at approx. 7482 S. Cornia Dr. (Parcel 13-174-0001), approx. 1.313 acres, be rezoned from an Agricultural Zone (A) to Highway-Commercial Zone (C-H), by applicant John McCall:

Tom said the Planning Commission has given a favorable recommendation for approval of this rezone because it is in accordance with the General Plan.

Mayor Long asked if there was any public comment.

John McCall, 2735 W. 4375 S. Roy, Utah, said he is the co-owner of the property. He said this request will help to market the property as commercial.

Council Member Sjoblom moved to close the public hearing for Ordinance 16-18. Council Member Casas seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING CLOSED *******

Council Member Hyer moved to approve Ordinance 16-18: Rezone request for property located at approx. 7482 S. Cornia Dr. (Parcel 13-174-0001), approx. 1.313 acres, be rezoned from an Agricultural Zone (A) to Highway-Commercial Zone (C-H), by applicant John McCall. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

Council Member Taylor moved to open the public hearing for Ordinance 16-19. Council Member Casas seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING *******

Public Hearing on ORDINANCE 16-19: Rezone request for property located at approx. 600 E. South Weber Dr. (Parcel 13-020-0056), approximately .85 acres, be rezoned from the Residential Low Zone (RL) to Residential Moderate Zone (RM), by applicant Grandon Brimley: Tom explained that this proposal is to rezone .85 acres of land in the R-LM zone to the R-M zone. The property contains an existing residence and a detached garage. Mr. Brimley

would like to split the lot into two parcels, but existing zoning doesn't allow it. The property sits adjacent to two other subdivisions, the Bowman Old Farm Subdivision to the north and the Canyon Meadows Subdivision to the east. The lots in Canyon Meadows and Bowman Old Farm are approximately the same size as would these be, if subdivided.

This request does not conform to the recommendations of the General Plan, which calls for low moderate density residential in this location. The applicant has pointed out that the lot is not large enough to pasture farm animals and would not be out of character with adjacent lots.

Tom said the Planning Commission and City staff recommended approval of the rezone because the property is unique and the rezone would meet the surrounding land use though it doesn't conform to the general plan projected land use map.

Mayor Long asked if there was any public comment.

Grandon Brimley, 600 E. South Weber Drive, said this property is not large enough for farm animals. He feels this lot can be a much better use of the land. He said there are two accesses onto South Weber Drive.

Tim Grubb, 6926 S. 475 E., said he lives in the area. He said what he is proposing fits the area. He said the road and sidewalk are already in. He said the curb is already cut for the existing home and the east property.

Council Member Hyer moved to close the public hearing for Ordinance 16-19. Council Member Sjoblom seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING CLOSED *******

Council Member Hyer moved to approve Ordinance 16-19: Rezone request for property located at approx. 600 E. South Weber Dr. (Parcel 13-020-0056), approximately .85 acres, be rezoned from the Residential Low Zone (RL) to Residential Moderate Zone (RM), by applicant Grandon Brimley. Council Member Sjoblom seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

Council Member Sjoblom moved to open the public hearing for Ordinance 16-21. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING *******

Public Hearing on ORDINANCE 16-21: Amendment to Code Sections 10.5A.2, 10.5B.2, 10.5C.3, 10.5D.2, 10.5E.2, 10.5F.2, 10.5G.4, 10.5H.4, 10.5I.4, 10.5K.4, 10.5L.4, 10.5M.4, 10.5N.4, 10.5O.4, and 10.5P.2 Permitted Uses, to allow for mobile businesses: Tom said in the last meeting, the Council approved an ordinance to regulate mobile businesses. This current

ordinance amendment allows mobile businesses to do business in the City as a permitted use so they can actually start doing business.

Mayor Long asked if there was any public comment. There was none.

Council Member Sjoblom moved to close the public hearing for Ordinance 16-21. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING CLOSED *******

Council Member Casas moved to approve Ordinance 16-21: Amendment to Code Sections 10.5A.2, 10.5B.2, 10.5C.3, 10.5D.2, 10.5E.2, 10.5F.2, 10.5G.4, 10.5H.4, 10.5I.4, 10.5K.4, 10.5L.4, 10.5M.4, 10.5N.4, 10.5O.4, and 10.5P.2 Permitted Uses, to allow for mobile businesses. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

Council Member Hyer moved to open the public hearing for Ordinance 16-22. Council Member Sjoblom seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING *******

Public Hearing on ORDINANCE 16-22: Amendment to Code Sections 10.01.100 Definitions and 10.05C.4 Conditional Uses, to allow for assisted living facilities

Tom said at the last Council meeting, Tim Grubb approached the Council with an idea to develop a piece of property off of 475 E. to an assisted living facility. Currently, City Code doesn't have provisions to allow them. These ordinance changes would allow for that type of business in the R-H. The Planning Commission recommended approval of this ordinance.

It is recommended that Subsections 10.01.100 Definitions and 10.05C.4 Conditional Uses of the South Weber City Code pertaining to assisted living facilities be amended as follows:

10.01.100 Definitions ASSISTED LIVING FACILITY:

An assisted living facility is a housing facility for people with disabilities or for adults who cannot or chose not to live independently, but rather live in a group living environment under the care of state licensed professionals. An assisted living facility does not house individuals under care for drug or alcohol rehabilitation, nor can one serve as transitional housing for individuals reentering society from the penal system.

0.5C.4 Conditional Uses

14. Assisted living facilities

Mayor Long asked if there was any public comment.

Tim Grubb, 6926 S. 475 E., said he appreciates the work Barry Burton has done is creating this for the City. He said this will be subject to a conditional use and will be controlling factors.

Council Member Sjoblom moved to close the public hearing for Ordinance 16-22. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

******* PUBLIC HEARING CLOSED *******

Council Member Hyer moved to approve Ordinance 16-22: Amendment to Code Sections 10.01.100 Definitions and 10.05C.4 Conditional Uses, to allow for assisted living facilities. Council Member Sjoblom seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

RESOLUTION 16-30 Amendment to Fee Schedule (mobile businesses):

Tom said the amendment to the fee schedule will be to add a mobile business license fee and permit fees.

Council Member Sjoblom moved to approve Resolution 16-30 Amendment to Fee Schedule (mobile businesses). Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

RESOLUTION 16-32 Selection of Professional Financial Auditor Services:

Mark McRae said at the Councils request, they went through the process of selecting a financial auditor for the City. He reported that they had 9 CPA firms respond to the RFP. The firm that they are recommending to the Council as the new auditor is Keddington & Christensen.

Council Member Casas commended the financial department for their effort in this. Council Member Hyer is in agreement with the selection of this company.

Council Member Sjoblom moved to approve Resolution 16-32 Selection of Professional Financial Auditor Services. Council Member Casas seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

DISCUSSION ITEMS (possible action):

Review of Snow Removal Policy: Mayor Long said in the work session it was suggested to table this item until next week.

Council Member Taylor moved to table this item until next week. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Casas, Hyer, Taylor, and Sjoblom voted yes. The motion carried.

Review of Maintenance II job description including Building Inspector:

Council Member Hyer moved to have a discussion on this item. Council Member Sjoblom seconded the motion. Elyse called for a roll call vote. Council Members Hyer and Sjoblom voted yes. Council Member Taylor, Casas and Mayor Long voted no. The motion was denied.

Council Member Hyer moved to table this item until next week. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Hyer, Casas, Taylor, and Sjoblom voted yes. The motion carried.

CITY COUNCIL ITEMS:

Council Member Casas:

Drinking Fountain at Canyon Meadows Park: The drinking fountain needs to be repaired.

Central Park: There is an exposed electrical box by the scoreboard.

Salt Facility: He requested the Council discuss this item at the next work meeting.

Council Member Hyer:

Davis/Weber Canal Company: He reported that the Davis/Weber Canal Company has been removing some trees along the canal. He said concerned residents have contacted him. He would like the City to contact the canal company to find out what is going on.

Chris Tremea, City Code Enforcer, said he did receive complaints and he will be meeting with the canal company. He has visited the location and said they are not large trees. He will pass any information he receives along to Tom. Tom said he is aware of this and was told they are conducting maintenance. He said the City was not aware of this until a resident contacted the City. Mayor Long asked if the boundary line is in unincorporated area.

Council Member Sjoblom:

Status of Digital Sign: Scout Master over Digital Sign for Scouts has moved to St. George. They will be moving forward with the project.

PUBLIC COMMENTS:

Deann Hoggan, 7701 S. 1650 E., thanked Council Member Hyer and City employees. She said residents did not receive any warning from Davis/Weber Canal Company that trees will be cut down. She said their property lines extend upon the fence lines. She said the canal company did conduct a survey. She said they have received conflicting reasons for the trees being cut down. She has contacted Jeff Oiler and he will contact the canal company. She said it would be nice to have communication, which would help to alleviate concerns.

Delene Hyde, 349 E. 6650 S., said she recognizes some of the Council who campaigned in her neighborhood. She is concerned about limiting citizens to three minutes for public comment. She said sometimes we don't get to say everything that is on our minds.

Dave Hogan, 7701 S 1650 E., said he owns one of the three homes that were damaged in the mudslide. He said when they built their home they were required to install an engineered retaining wall. He said they want to make sure the canal company has the same rules and regulations that they abide by. He suggested marking the trees that they feel need to be taken out.

Tim Grubb, 6926 S. 475 E., said the three minute public comment is not an ordinance, but policy. He understands in the situation if there are several people present. Also, concerning the soccer field, he feels there wasn't enough time for the City Council to look at it. He said there are a number of things that are kind of scary. He said an issue with 6650 South has been created with approval of this soccer complex. He would request the City staff look at options for 6650 South. He said Old Maple Farms will be going in, which could create options to dead end 6650 South.

Liz Rice, 7875 S. 2310 E., asked about the building inspector maintenance job. She said her husband is a contractor in the City and, as a citizen feels, a building inspector is important.

Council Member Hyer moved to take a five minute break before going into the closed session. Council Member Taylor seconded. Council Members Casas, Hyer, Sjoblom, and Taylor voted yes. The motion carried.

Council Member Hyer at 7:58 p.m. moved to go into a closed session as per UCA § Section 52-4-205(1)(c): Discussion of pending or reasonably imminent litigation. Council Member Taylor seconded the motion. Elyse called for the vote. Council Members Casas, Hyer, Sjoblom, and Taylor voted yes. The motion carried.

The public meeting resumed at 9:32 p.m.

ADJOURNED: Council Member Taylor moved to adjourn the meeting at 9:33 p.m. Council Member Sjoblom seconded the motion. Council Members Taylor, Sjoblom, and Casas voted yes. The motion carried.

SOUTH WEBER CITY COUNCIL WORK MEETING

DATE OF MEETING: 13 September 2016

TIME COMMENCED: 4:37 p.m.

PRESENT: MAYOR:

Tammy Long

COUNCILMEMBERS:

**Scott Casas
Kent Hyer
Marlene Poore (excused)
Merv Taylor
Jo Sjoblom**

CITY RECORDER:

Elyse Greiner

CITY MANAGER:

Tom Smith

Transcriber: Minutes transcribed by Michelle Clark

VISITORS: Thom Wight, Quinn Tucker, Brandon Jones, Doug Ahlstrom, Mark McRae, Wayne Winsor, Brent Poll.

Mayor Long said Council Member Poore may not be in attendance tonight and has asked to table the Review of Maintenance II job description including Building Inspector. Tom suggested not tabling this item because this is a time sensitive issue. It was suggested to have two council members and the Mayor to be included in the interviewing of this position.

Mayor Long said she doesn't put agenda items on the meeting. She said electronic meetings and absences need to be excused ahead of time so that it is put on the agenda.

CONSENT AGENDA:

- **Approval of August 23, 2016 Meeting Minutes**
- **Approval of August 23, 2016 Work Meeting Minutes**
- **Approval of July 2016 Budget to Actual**
- **Approval of August 2016 Check Register**

There were no amendments to the minutes. Council Member Casas would like to see the budget to actual for the month of June. Mark said a copy is available but it is not final. Council Member Casas requested to see a copy of it. Mark will send a copy of it to everyone. There were no concerns with the check register. Mayor Long asked if the public hearings were all notified. Tom said, "yes".

ACTION ITEMS:

Public Hearing on ORDINANCE 16-17: Rezone request for property located at approx. 128 E. South Weber Dr. (Parcel 13-005-0033), approx. 24.08 acres, be rezoned from an Agricultural Zone (A) to Commercial Recreation Zone (C-R), by applicant Kelly Parke.

Tom said the Planning Commission has given a recommendation for approval of this rezone. While the General Plan doesn't specifically project the Commercial Recreation zone to be there, it does call for open lands. Since HAFB has a no-build zone on the southern portion of the property for permanent residences due to the high noise level, a soccer field would be a great use for the property. Doug Ahlstrom reminded the Council to make sure their decision is based on the rezone.

RESOLUTION 16-31 Smith & Edwards Final Subdivision

Tom said this is the final plat. He said there are some contingencies in the City Engineer's memo.

Tom said there may be some concerns with the parking. He said the developer has submitted plans that include more parking stalls than the requirement. Council Member Sjoblom asked about traffic. Brandon said an engineered traffic study is not required for this project.

Public Hearing on ORDINANCE 16-20: Amendment to Code Section 10.05M.6 (B) Buffer Yard Landscaping: Tom said the Planning Commission has made a favorable recommendation to the Council to approve of this ordinance amendment. Previously the Commercial Recreation Zone required a buffer yard (certain distance and amount of foliage; can be found in Code 10.15.070) between surrounding agricultural and residential zones. The Planning Commission felt that the developers putting in the soccer field would be met with undue hardship having to put a certain amount of vegetation around the 24 acres of property. They concluded that it also doesn't make sense to buffer agricultural property from recreation property. To lessen the burden for all developers, the buffer yard would only be required on sides adjacent to residential zones.

It is recommended that Subsection 10.05M.6B of the South Weber City Code pertaining to buffer yard landscaping be amended as follows:

10.05M.6B Buffer Yard Landscaping

B. Buffer Yard Landscaping: Buffer Yard D landscaping shall be required between the CR zone and all residential zones, except where there are legal restrictions on the residential zoned property that prevent the construction of residences.

Council Member Casas is finding it difficult to interpret this amendment. Elyse explained that this amendment came about because there isn't a need to buffer between agricultural property and commercial recreation, but it is necessary to buffer from residential property. Council Member Casas is concerned that this buffer D is going to be difficult for the developer to maintain and it may be excessive. Council Member Casas said buffer yard B & C may be more conducive to this project.

Thom Wight, 1925 N. Rolling Oaks Layton, Utah, said there is a concern with this requirement, but they are willing to do what is required.

Tom referenced buffer yard C requirements. Council Member Hyer asked about the facility. Thom Wight said it will be under the direction of La Roca soccer. He said this will be strictly a

training facility. Council Member Casas asked if the Council can amend the ordinance to be buffer yard C instead of buffer yard D.

Wayne Winsor feels the entire landscaping ordinance needs to be amended. He then explained the Planning Commission's discussions concerning the buffer yard. The Council was concerned about this being excessive landscaping. Wayne explained that the Planning Commission felt the soccer fields could be enough buffer, but had to follow City code. Council Member Casas said buffer yard C is required for commercial business and he feels this would be acceptable. Tom discussed amending the ordinance to read buffer yard B with recreational uses.

Tom read amendments (CHANGE THE BELOW CODE TO INCLUDE TOM'S CHANGES)

10.05M.6B Buffer Yard Landscaping

B. Buffer Yard Landscaping: Buffer Yard ~~D~~ C landscaping shall be required between the CR zone and all residential zones, except where there are legal restrictions on the residential zoned property that prevent the construction of residences.

Public Hearing on Conditional Use Permit: application for South Weber Soccer Facility located at approx. 128 E. South Weber Dr. (Parcel 13-005-0033), approx. 12.21 acres, by developer Kelly Parke: Tom said the Conditional Use Permit is for a private-use indoor soccer facility and two outdoor soccer fields. The Planning Commission recommended approval subject to the items addressed in the City's Engineer's memo of 31 August 2016 in addition that it meet the buffer yard ordinance.

Brandon Jones memo of 31 August 2016 is as follows:

Our office has completed a review of the Plat and Improvement Plans for the Smith & Edwards Subdivision and associated South Weber Soccer Facility received on August 19th and 30th, 2016. We recommend approval, subject to the following comments and recommendations being addressed prior to final approval from the City Council.

1. **General.** The developer will need to comply with the UDOT Access Approval stipulations, the recommendations of the Geotechnical Report by GSH and the requirements of the South Weber Irrigation Company as previously discussed and recommended.

2. **Sewer Easement.** This set of plans does not show any sewer lateral from the building. We are assuming that the sewer lateral is still being proposed to be installed across the "T+R Ranches" property to the east. A separate easement document will be needed to allow the crossing of this property. However, this being a sewer lateral, it will be owned by the owner of the Soccer Facility. Therefore, the easement should be conveyed from "T+R Ranches" to the owner of the Soccer Facility, not the City. This easement will be needed prior to constructing the lateral or recording the plat, whichever one comes first.

3. **Plat.** No comments.

4. **Improvement Plans.** The following are items related to the improvements. a. Sheet #C3. The plans need to show the sewer lateral from the building to wherever it is being proposed (assumed to be in Raymond Drive).

Thom Wight said they will not be using the easement with T&R Ranches. He explained that the developer will pipe the sewer to South Weber Drive on the south side. Brandon said in that case, item #2 in his memo, would not be required. Brandon said from his perspective either one will work.

Public Hearing on ORDINANCE 16-18: Rezone request for property located at approx. 7482 S. Cornia Dr. (Parcel 13-174-0001), approx. 1.313 acres, be rezoned from an Agricultural Zone (A) to Highway-Commercial Zone (C-H), by applicant John McCall

Tom said the Planning Commission has given a favorable recommendation for approval of this rezone because it is in accordance with the General Plan.

Public Hearing on ORDINANCE 16-19: Rezone request for property located at approx. 600 E. South Weber Dr. (Parcel 13-020-0056), approximately .85 acres, be rezoned from the Residential Low Zone (RL) to Residential Moderate Zone (RM), by applicant Grandon Brimley:

Tom explained that this proposal is to rezone .85 acres of land in the R-LM zone to the R-M zone. The property contains an existing residence and a detached garage. Mr. Brimley would like to split the lot into two parcels, but existing zoning doesn't allow it. The property sits adjacent to two other subdivisions, the Bowman Old Farm Subdivision to the north and the Canyon Meadows Subdivision to the east. The lots in Canyon Meadows and Bowman Old Farm are approximately the same size as would these be, if subdivided.

Tom said this request does not conform to the recommendations of the General Plan, which calls for low moderate density residential in this location. The applicant makes a good point in that the lot is not large enough to pasture farm animals and would not be out of character with adjacent lots.

Tom said the Planning Commission recommended approval of the rezone because the property is unique and the rezone would meet the surrounding land use though it doesn't conform to the general plan projected land use map

Public Hearing on ORD 16-21: Amendment to Code Sections 10.5A.2, 10.5B.2, 10.5C.3, 10.5D.2, 10.5E.2, 10.5F.2, 10.5G.4, 10.5H.4, 10.5I.4, 10.5K.4, 10.5L.4, 10.5M.4, 10.5N.4, 10.5O.4, and 10.5P.2 Permitted Uses, to allow for mobile businesses: Tom said in the last meeting, the Council approved an ordinance to regulate mobile businesses. This current ordinance amendment allows them to do business in the City as a permitted use so they can actually start doing business. Doug Ahlstrom said by amending the code, this will allow the new use. Tom said as far as food handler's permit, the business must be licensed with the State. Tom said there area a variety activities in the City where these types of businesses could attend.

Public Hearing on ORDINANCE 16-22: Amendment to Code Sections 10.01.100 Definitions and 10.05C.4 Conditional Uses, to allow for assisted living facilities

Tom said at the last Council meeting, Tim Grubb approached the Council with an idea to develop a piece of property off of 475 E. to an assisted living facility. Currently, City Code doesn't have provisions to allow them. These ordinance changes would allow for that type of business in the R-H and C-H zones. The Planning Commission recommended approval of this ordinance.

Tom said it is recommended that Subsections 10.01.100 Definitions and 10.05C.4 Conditional Uses of the South Weber City Code pertaining to assisted living facilities be amended as follows:

10.01.100 Definitions ASSISTED LIVING FACILITY:

An assisted living facility is a housing facility for people with disabilities or for adults who cannot or chose not to live independently, but rather live in a group living environment under the care of state licensed professionals. An assisted living facility does not house individuals under care for drug or alcohol rehabilitation, nor can one serve as transitional housing for individuals reentering society from the penal system.

0.5C.4 Conditional Uses

14. Assisted living facilities

Tom said the advantage of this type of facility in the City is to allow for residents to stay in South Weber City. Thom White said he owns an assisted living center in North Ogden. He said it has worked out really well in North Ogden.

RESOLUTION 16-30 Amendment to Fee Schedule (mobile businesses)

Tom said the amendment to the fee schedule will be to add a mobile business license fee and permit fees. He said the fee for mobile businesses is: A. License is \$50, B. Single use permit is \$30, C. Recurring operation use permit is \$50, and D. Special event permit is \$40. There was some concern with the fees being too low. Tom said the Council can wait to make a decision until the City gets the fee analysis from Zions Bank.

RESOLUTION 16-32 Selection of Professional Financial Auditor Services

Mark McRae said they had 9 CPA firms respond to the RFP. The firm that they are recommending to the Council as the new auditor is Keddington & Christensen. He said they are well known and respected. He feels confident with them and feels they will do an excellent job for the City. He said they will be in attendance at the meeting next week to introduce themselves.

DISCUSSION ITEMS (possible action):

Review of Snow Removal Policy: Tom said he proposed this to the Council because last year there were concerns with the policy. Council Member Casas would like to table this item to a work meeting because of the heavy agenda tonight. Tom said he can put it on next week's agenda.

Review of Maintenance II job description including Building Inspector: Council Member Taylor and Casas requested tabling this item until next week as well. Tom suggested the City consider otherwise because the City employees are getting further behind.

DRAFT

SOUTH WEBER CITY COUNCIL WORK MEETING

DATE OF MEETING: 20 September 2016

TIME COMMENCED: 5:30 p.m.

PRESENT: MAYOR:

Tammy Long

COUNCILMEMBERS:

Scott Casas
Kent Hyer (arrived 5:44 p.m.)
Marlene Poore
Merv Taylor
Jo Sjoblom

CITY RECORDER:

Elyse Greiner

CITY MANAGER:

Tom Smith

CITY ATTORNEY:

Doug Ahlstrom

CITY ENGINEER:

Brandon Jones

Transcriber: Minutes transcribed by Michelle Clark

VISITORS: Gary Keddington, Nathan Rich, Pam Kramer, Ron & Karen Anderson, Wes Johnson, Bill Petty, Geoff Ellis, Daniel Schilling, Tim Grubb, Keith Christensen, Mark Larsen, Bryan Wageman, Jason Tubbs, and Blair Halverson.

ACTION ITEMS:

Approval of August 16, 2016 work meeting minutes:

Council Member Sjoblom moved to approve the 16 August 2016 work meeting minutes. Council Member seconded the motion. Elyse called for a roll call vote. Council Members Casas, Poore, Taylor, and Sjoblom voted yes. The motion carried.

Bid approval for Heather Cove/Raymond Dr. Storm Drain project: The bids received are as follows:

D&J Grading	\$293,070.70
Skyview Excavation	315,260.00
Reynolds Excavation	324,312.00

Tom said this project will be done in phases. He anticipates completion time for the sewer portion to be the middle of October. The re-pavement will take place in the spring. He said the City staff is recommending D&J Grading.

Council Member Casas moved to award the bid to D& J Grading for \$293,070.70 for Heather Cove/Raymond Dr. storm drain project. Council Member seconded the motion. Elyse called for a roll call vote. Council Members Casas, Poore, Taylor, and Sjoblom voted yes. The motion carried.

DISCUSSION (possible action):

City Auditor Keddington & Christensen presentation: Gary Keddington, of Keddington & Christensen, introduced himself. He said they provide services for South Ogden and Washington Terrace. He said there are several other cities they audit as well as special districts. He said they are the finance director for nine different government entities. He said the plan will be to begin next month. He said they will be asking some of the Council questions as well as City staff. He said the audit will be ready and finished by the end of the year so that the City can meet the deadline. Council Member Casas said there have been problems with the previous audits and he is hoping to see more accountability. Mr. Keddington said if the record keeping wasn't done very well, it can be difficult. Council Member Poore is concerned about depreciation. Mr. Keddington said he looks forward to working with South Weber City.

Wasatch Integrated Waste Manager updates: Nathan Rich, Executive Director for Wasatch Integrated Waste, said they are a special service district. They handle approximately 270,000 tons of waste. He said they have an integrated approach to waste management. He said half of the waste goes to the Energy Recovery Facility. He said they provide about 25% of the energy to Hill Air Force Base. They currently have a mixed waste pre-processing facility. He said they also operate the landfill. He said they have a large citizen drop off area, household hazardous waste drop off, thrift store operation, green waste recycling and composting, metals recovery, and landfill gas to energy project with HAFB. He said they have approximately 20 years or more with the Davis Energy Recovery Facility. The Davis Landfill has 25 years to capacity, 7 to 10 years commercial scale, and transfer station to regional landfill. He said their waste contains a substantial amount of recyclables. They are looking at expanded materials recovery that would allow them to recover additional recyclables (cardboard, aluminum, steel, and plastics). He said they are looking at a Transfer Station, which is designed to be expandable. This will be an \$8 to \$10 million project. It will recycle about 10% of the residential waste. This project will require financing. It will cost \$2 per month increase in the household use fee, which is currently \$5.20. This facility could be operating early 2018. Council Member Casas asked about the percentage of green waste. Nathan said most of the cost is in collection fees. He said a City will not save money by going to curb side green waste. Council Member Casas said South Weber City does not have a recycling program.

A resident, living on Deer Run Drive, asked about the odor coming from the facility. He recently moved to South Weber and was told it wasn't bad, but it has been bad lately. Nathan explained the process and said they are currently active in phase 5, which is closer to South Weber City. He said they have tried wood chips, covering, sprays, etc. to help with the odor. The Council thanked Nathan for his attendance.

Pam Kramer, Division of Wildlife Resources to discuss UDOT owned parcels on the Weber River – potential transfer to South Weber City:

Pam Kramer, from the Division of Wildlife Resources, discussed a UDOT owned parcel on the northern boundary of South Weber and its role in the City's trail system. She would like the City

to assume the property from UDOT on the south side of the Weber River. She said it would come with a Division of Wildlife Resource easement. Council Member Hyer asked about access. Discussion took place regarding the future plans for the trail going from 475 East through the Frisbey property. It was stated that the Frisbey property is in the flood plane. Jeff Ellis discussed the vision for the trail going all the way up to Highway 89. He said when they get to building the trail they will have to look at who will be responsible to maintain the trail. Wes Johnson discussed possible access points to this property. Jeff said to complete the whole pathway will depend on negotiations with private property owners. He said the timeline is still a few years out. He said the trail would be a road base gravel trail. He said maintenance would be removing falling trees. Pam said the property would come with a reversion clause. Mayor Long said Job Corp's forestry department may be interested in doing the maintenance. Tom is concerned about the weed maintenance and trash that will need to be removed if the City takes responsibility. Doug Ahlstrom, City Attorney, said if someone is injured on the City's portion of the trail, the City will be liable. Council Member Hyer said we support the trail but asked if there is any reason why UDOT couldn't be responsible, since it is UDOT property. Jeff said that is a possibility. Tom said the City is in support of the idea, but concerned with maintenance and liability. Tom said he is willing to work with Uintah staff in persuading UDOT. He will set up a meeting with UDOT.

Ron Anderson's property purchase request

Karen Anderson approached the City Council and said she received a broker's opinion of land value concerning the City property on Canyon Meadows Park. They are requesting 12 feet of park property to extend their backyard. Their proposal is for approximately 1697.64 square feet at \$1.00 to \$1.25 per square foot. Karen said they can have the property surveyed and she works for a title company that can take care of the deeds. Ron pointed out the triangle piece of property that they purchased from Perry Homes. Karen said their intent is to keep it open and have access to the park and not fence it. She discussed putting in a landscaped berm. Ron said he is looking at the possibility of a 2 ft. rock wall around the berm. Karen said the train track could eventually come up to their property. Council Member Casas discussed the lot the City recently purchased for \$85,000. He said that is approx. \$8 per square foot. Karen said agricultural land has a different price range. Tom is concerned about the precedent this could set for selling property at this rate. Council Member Poore discussed the fact that the Canyon Meadows scheme doesn't show the track going up that way. Ron and Karen said they moved there because of the train track, which they said was approved by the Council at the time. Ron said he feels the purchase of this property will help take care of possible riff raff in this area. Doug Ahlstrom said if the Council is interested, this purchase needs to be done through resolution and a public hearing. Ron said they are willing to pay for all the fees. Mark Larsen said five years from now the whole plan for the park can change. Discussion took place regarding reviewing the deed and whether or not there was a density bonus when the PUD was approved.

Council Member Casas moved to deny the proposal for Ron Anderson's property purchase request. Council Member Taylor seconded the motion. Elyse called for a roll call vote. Council Members Casas, Poore, Taylor, and Sjoblom voted yes. Council Member Hyer voted no. The motion carried 4 to 1.

Review of Snow Removal Policy

Tom said last year the Council expressed that there were concerns about the policy and the level of service it was providing; specifically storm response time. Council Member Poore remembers the problem being whether or not the Sheriff Department called. Bryan Wageman suggested letting the Sheriff Department know the City's expectations. Council Member Hyer said there will be times when the snow comes faster and deeper, but he said someone needs to be ready to go. Mark Larsen said if the Sheriff's Department calls then they are ready to go. Council Member Casas said the goal is to have what happened last December, not happen again. Bryan said after that they had the person on call contact the Sheriff's Department at 4:00 a.m. Council Member Casas doesn't have a problem with the policy. It was decided the Council is okay with the policy.

Review of Maintenance II job description including Building Inspector

Tom said as the Council requested, an RFP was sent out for building inspector services. He said the goals set at the summit included: public safety, provide basic services, cost efficiency, and growth oriented. He said the primary goal is to save money. Maintaining existing infrastructure is one way to do that. He reviewed the services the Public Works Department is responsible to conduct with water valves, fire hydrants etc. He said it is also the City's responsibility to prepare for an increase in infrastructure with newly approved subdivisions. He said there are currently four employees in the Public Works Department with an increase in infrastructure and increased demand for service. Tom reviewed the Public Works organization chart.

Council Member Poore discussed other cities breaking up the duties of the SWPPP requirements between the City Engineer, City Manager, Developer, etc. Brandon Jones said the City has a Storm Water Facilities Plan. Council Member Poore would like to look at the Storm Water Facilities Plan. Brandon said he can put together a presentation concerning the Storm Water Facilities Plan.

Council Member Hyer left the meeting at 8:02 p.m.

Tom reviewed the Maintenance II SWPPP/Bldg. Inspector job description and time requirements. Tom said there are federal mandates on how the City is to conduct their business. He said the City is spreading their resources too thin to the point that saving money will not be achieved in the coming months; deferring capital maintenance will never save the City money.

Council Member Casas discussed money spent in the budget for part-time employees. Mark McRae said salaries are distributed amongst all the funds. Tom reviewed the job description of the Public Works Director and stated he oversees all operations of the department. He said the Maintenance II acts as field supervisors.

Council Member Hyer arrived at 8:31 p.m.

Keith Christensen, 1411 E. 7425 S., said the City wants to look good, and these guys want to look good. Tom said if the Council decides not to hire a Maintenance II the service will change. He then reviewed the responsibilities of the Public Works employees in the winter months. He would recommend the Council hire a Maintenance II position. He suggested hiring two laborers at \$13 per hour rate.

Council Member Poore said she is opposed to making a decision tonight. She said there are no numbers that support what is needed. She referred to Fruits Heights job description. She said they have four public works employees. She would like to look into contracting out the parks for the spring as well as a building inspector. She would like to reallocate positions. She feels there needs to be more research done before jumping in to hiring. Council Member Casas suggested contracting out building inspections. Tom said he sent out an RFP and didn't receive any applications. Tom reviewed the information he received from Utah Cities Data. He said no one City operates the same or has the same form of government.

Council Member Sjoblom moved to continue with hiring a Maintenance II and two laborer employees. She feels Tom has made a good argument tonight and she feels the City is hurting and infrastructure is hurting. She said building inspections is a small part of public works. She said it bothers her that the same thing is happening with Public Works that happened with the office administration. She doesn't feel they are deserving of the treatment they are receiving. She feels it is important to retain the employees that you have got. She said when you have to replace employees, it will cost more in the long run. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Members Hyer and Sjoblom voted yes. Council Member Poore and Casas vote no. Council Member Taylor abstained. Mayor Long voted no. The motion died.

Council Member Sjoblom moved to hire one additional employee as a Maintenance II – SWPPP employee position. Council Member Hyer seconded the motion. Elyse called for a roll call vote. Council Member Sjoblom, Hyer, and Taylor voted yes. Council Member Casas and Poore voted no. The motion carried 3 to 2.

Council Member Hyer said Tom has put a lot of time and effort into this research. He said he is the City Manager and we need to allow him to do the job that he has been hired to do. He is concerned that the City is going down hill. He feels that we are all trying to do what is best for the City. He feels putting the right people in place saves money for the City. He pled with the Council to go forward with the plan that Tom has laid out. Mark Larsen said Washington Terrace is contacting South Weber City employees on a weekly basis for hiring purposes. He said it is more than likely that someone may leave here to go there. Council Member Poore said if we contract out building inspections and parks then we don't need the positions filled. Council Member Casas said he voted no based upon Council Member Poore's analysis concerning what other cities have spent on building inspections. He feels it gives the City more flexibility. Council Member Taylor abstained from voting because he listens to the citizens in the City. He said most of those comments have been negative. He isn't against Public Works because he feels they do an outstanding job. Keith Christensen said we should want to make this City a place they want to be. He said these guys work more hours. He said when you don't vote then you are voting against them.

Council Member Hyer feels the Maintenance II position needs to be taken care of immediately. He would rather have an employee of the City be an inspector.

Agenda Request from Tim Grubb concerning 6650 S.

Tim Grubb, 6926 S. 475 E., said this is a tough job and a thankless job for you. He appreciates all that they do. He is asking for 6650 South be put on another agenda. He said there are several

developments going through the subdivision approval process right now that will create more traffic onto 6650 S. The residents on 6650 S. are concerned about safety on the narrow road with the proposed increased traffic. Tim would like the Council to direct staff to look at options for mitigating the concern. He would also like the City Planner to give a response of possible solutions, safety etc. He would also like to have the City Engineers input and recommendations. He would also like to have input from citizens. The Council directed Elyse to put that on an agenda. Tim said he is willing to serve on a committee. It was decided this will be placed on the agenda for 18 October 2016.

Public Works salt shed

Jones and Associates has compiled 5 salt shed options. These are projections that are meant to put into perspective the different types of shed options and their estimated associated costs. Council Member Casas was hoping that money was not spent on engineering of five different options. Tom said the City Engineer already has most of this information from other cities he has worked with.

Council Member Casas said too much was put on this agenda. Council Member Poore said she can't always respond right away on an email and giving her consensus. She said Dave Thomas told them in the last Council that we can't conduct business through email.

Council Member Taylor moved to amend the agenda to put the remaining items on the next meeting. Council Member Casas seconded the motion. Elyse called for a roll call vote. Council Members Casas, Poore, Taylor, and Sjoblom voted yes. Council Member Hyer voted no. The motion carried 4 to 1.

Council Member Casas moved to discuss the decision on the salt shed to the next council meeting agenda and drop the plan for Central Park and South Weber City employee time sheet for the indefinite future. Council Member Taylor seconded the motion. Council Members Casas, Poore, Taylor, Sjoblom, and Hyer voted yes. The motion carried.

Future plans for Central Park (no discussion on this item)

South Weber City employee time sheet (no discussion on this item)

ADJOURNED: Council Member Hyer moved to adjourn the meeting at 9:48 p.m. Council Member Taylor seconded the motion. Elyse called for the vote. Council Members Casas, Hyer, Poore, Sjoblom, and Taylor voted yes. The motion carried.

CONSTRUCTION/SERVICES AGREEMENT

This Construction/Services Agreement ("Agreement") is entered into this _____ day of _____, 2016, by and between Keith Kap & Sons Excavating ("Contractor") and South Weber City, a Utah Municipal Corporation ("City"), collectively the "Parties."

RECITALS

- A. City is a Utah municipal corporation which provides various services to its citizens, many of which are essential such as, but not limited to, sewer, water, garbage, police and fire protection, etc.
- B. These and many other such services can become suspended or disrupted in a time of crises or other public disaster.
- C. City seeks to minimize any such potential disruptions by entering into this preemptive Agreement with the Contractor in order to render the services set out herein and per the terms of this Agreement by achieving a pre-determined price for the services, as well as priority, shall they become necessary.
- D. The Parties agree to be bound by the terms of this Agreement as follows:

AGREEMENT

1. **SERVICES.** The above Recitals are incorporated into this Agreement. Contractor hereby agrees to provide the following equipment and or services to City upon the terms set forth within this Agreement:

(the "Services")

The Services shall include all equipment and persons necessary to perform the services as outlined herein and shall be included within the definition of "Services" as referred to throughout this Agreement. Contractor shall provide the Services immediately upon written or verbal demand from the City. The Contractor shall have no obligation to perform any Services under this Agreement, nor shall City have any obligation to pay for any such Services, unless demand is made by the City to the Contractor for performance of the same. Only the Mayor, the City Manager, their duly appointed delegate or their successor accordingly to the lawful line of succession within the City, shall be authorized to make demand for Services under this Agreement. Contractor shall give City priority over any and all other clients, customers or other obligations or business opportunities with respect to the provision of these Services.

2. **PRICE.** City shall pay to Contractor the sum of tbd dollars (\$ time & material) for the Services. The Price shall be paid to Contractor within thirty (30) days of completion of the Services. This price is a fixed sum, unless modified in writing between the Parties, and shall remain fixed for the full term of this Agreement as defined below.

3. **SPECIAL CONSIDERATIONS.** This Agreement is (☒) is not () made subject to the following special considerations and/or contingencies:

Emergency service will be billed according to actual time and material needed. Prices per hour for equipment and price per load for materials are attached

4. **WARRANTIES.** Contractor warrants its Services to be free from any defects in material and/or workmanship for a period of one year commencing upon completion of the Services. City shall be entitled to the benefit of all manufacturer warranties, if any, applicable to all material(s), if any, provided by the Contractor.

5. CHANGES OR MODIFICATIONS TO AGREEMENT. No change, modification or amendment may be made to this Agreement, unless in writing and signed by the Parties. Changes representing changes in the design, construction or delivery of the Services shall be performed by way of a written Change Order

To make a change to the Services of any kind, during or after construction, the following procedure is to be followed:

- (A) City will fill out a change order and submit the same to Contractor.
- (B) Contractor will calculate Contractor's direct cost for the change and add thereto a fee of 10% of the actual cost of the change.
- (C) Both Contractor and City will sign the change order agreeing to the charge for the change and the new adjusted Price.

6. ENTIRE AGREEMENT. This instrument constitutes the entire Agreement between the parties and supersedes and cancels any and all prior negotiations, representations, warranties, promises, inducements, understandings or agreements between the parties. There are no oral agreements which modify or affect this agreement. The Agreement cannot be changed except by mutual written agreement of the parties. The Parties enter into this Agreement voluntarily having counseled with a competent legal advisors or have waived the same. The Parties do not rely upon any representations, written or otherwise, if any, from or between them regarding any aspect of this Agreement or the construction of the Building. If any portion of this Agreement is found to be unenforceable for any reason, the remainder shall remain in full force and effect, as long as the material benefit of the bargain for each party is preserved.

7. TERM. This Agreement shall remain in effect for a period of five (5) years from the most recent date at which this Agreement was signed by either party.

8. DEFAULT AND ATTORNEY'S FEES. In the event of default by either Party, each shall be entitled to pursue all remedies available in law and/or equity, including City obtaining an affirmative or positive injunction requiring Contractor to perform/provide the Services, recognizing that in times of disaster or emergency, City likely will have few, if any, options regarding providers and the price at which such services may be performed. The Parties agree that should either party default in any of the covenants or agreements herein contained, the defaulting party shall pay all costs and expenses, including a reasonable attorney's fee, which may arise or accrue from enforcing or terminating this Agreement or in pursuing any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise.

9. NOTICE. All written communication or required notices between Contractor and City shall be sent via first class mail, postage prepaid, or by nationally recognized overnight delivery to the address, or by facsimile listed below:

If to Contractor:

939 East. South Weber drive

If to City:

*1600 E. South Weber Dr.
South Weber, UT 84405*

10. INDEMNIFICATION. Contractor shall indemnify, defend and hold harmless the City from and against any and all claims, demands, damages, fines, fees and costs arising from or in any way connected to Contractor's performance of this Agreement, including, but no limited to, Contractor's negligence and/or intentional misconduct.

11. LIMITATIONS. The application of this Agreement is limited to times of disaster, emergency or other acts of God which affect any citizen or property of or within the City and/or for which the City determines it is required or otherwise obligated to address, in whole or in part, including, but not limited to, the effects of earthquake, flood, fire,

RE: 2016 Sewer Outfall Replacement Project

Date: October 7, 2016

Bids were opened yesterday, October 6, 2016 at 2:00pm for the 2016 SEWER OUTFALL REPLACEMENT PROJECT. Ten (10) bids were received. The results of the bids are shown on the enclosed Summary of Proposals Received. We have checked all bids and found no errors in those bids.

As stated within the Bid Documents, the conditions of awarding the project were based on “experience, subcontractors used on the project, references and cost”. The two lowest bidders had bids within 2% of each other. As a result, we felt it was in the best interest of the City to perform an award criteria analysis (see attached) to determine the most qualified bidder. We only analyzed the three lowest bidders.

This project will be very challenging to construct due to the depth, very tight construction limits, and significant groundwater. Although the cost was given half of the points, previous experience was also heavily weighted. When comparing the two lowest bidders, Whitaker Construction has significantly more experience than Reynolds Excavation in doing projects that are deep and wet, like this one.

As a result of our analysis, we feel it is in the best interest of the City, and therefore recommend that the project be awarded to **WHITAKER CONSTRUCTION COMPANY**. If the Council agrees with this recommendation, please pass a motion accepting the bid and awarding the project to **WHITAKER CONSTRUCTION COMPANY** with their bid of **\$586,906.00**. Please sign the Contract Agreements and the Notices of Award and return them to our office. We will deliver the documents to the contractor for their signature. In addition to the signed Notice of Award and Contract Agreement, the Contractor is also responsible to submit the following within 10 days:

1. Performance Bond
2. Payment Bond
3. Insurance Certificates

When these documents have been received, we will schedule a Preconstruction Conference. At this conference we will issue a Notice to Proceed and discuss the construction details with the contractor prior to beginning the work. The contractor has until February 28, 2017, following Notice to Proceed, to complete the work.

South Weber City

2016 Sewer Outfall Replacement Project

Award Criteria Analysis

	Weight	Hube	Reynolds	Whitaker	Notes:
Previous Project Experience					
1 Similar Scope and Size	20	0	7	20	Full points for 3 sewer projects - 7 points for each project with a min. of 18" dia. Pipe, 4,000' in length and contract price of \$600k or more
2 Deep/Groundwater Construction	20	0	0	20	Full points for 3 sewer projects - 7 points for each project at depths greater than 12' with significant groundwater
Total	40	0	7	40	
Subcontractors used on the Project					
1 Prior issues with the City	5	5	5	5	Full points for the use of subcontractors with no prior issues with the City

STANDARD UNIFORM RENTAL SERVICE AGREEMENT

1. The Customer, its successors and assigns ("Customer") orders from CINTAS CORPORATION or any of its subsidiaries, successors and assigns ("Company") all of the Customer's requirements of garment rental services and other items covered by this agreement during the term of this agreement all in accordance with the pricing, terms and conditions contained herein. Pricing is based on 52 weeks billing per rental item per year.
2. All garments and other rented items will be cleaned and maintained by Company and remain the property of the Company. Any garments that require replacement due to normal wear will be replaced by Company at no charge to Customer.
3. Unless specified otherwise, the garments supplied under this agreement are not flame retardant or acid resistant and contain no special flame retardant or acid resistant features. Flame retardant and acid resistant garments are available from Company upon request. Customer agrees to notify its employees that their garments are not designed for use in areas of flammability risk or where contact with hazardous materials is possible. Customer warrants that none of the employees for whom garments are supplied under this agreement require flame retardant or acid resistant clothing.
4. Customer agrees to notify Company, in writing of any hazardous materials that may be picked up by Company in the soiled garments or other textiles serviced under this agreement. In no case will hazardous materials be present to the extent that they may be harmful to Company's employees.
5. The weekly rental charge for any individual leaving the employ of Customer can be terminated, but only after all garments issued to that individual, or the current replacement value of same, have been returned or paid to Company. Any non standard, or special products (i.e., logo mats) must be purchased by the Customer if service is stopped for any reason. If items are lost or damaged by any means Customer will pay the then current replacement values for said items. Should Customer require garment sizes that are outside the standard size range, Customer agrees to pay the specific premium price for those items and sizes designated under Uniform Pricing.
6. This agreement is effective as of the date of execution. The initial term of this agreement shall be as set forth on the front of this agreement and shall automatically renew for the same period of time unless Company is notified, to the contrary, in writing, 60 days in advance of the expiration of the then current term. ~~Company has the right to increase prices.~~ The Customer has the right to reject the price increase within ten (10) days of the notice. If Customer rejects the price increase, Company may terminate this agreement. If the Customer receives discount pricing due to bundling of products/services, Customer acknowledges that discount is subject to Customer continuing the bundling of the product/services. Should Customer discontinue bundling, pricing may be increased to the non-discounted pricing. All invoices must be paid within ten days after the end of the month. Interest will accrue on any amounts which are not paid when due from the date due to the date of payment in full at an annual percentage rate equal to the lesser of (a) eighteen percent 18% or (b) the maximum rate permitted by applicable law.
7. Company is a licensee and not the owner of the Carhartt trademarked products. If Company should no longer have such license, then Company will substitute the Carhartt trademarked garments with garments of similar material and quality.
8. Customer hereby agrees to defend, indemnify and hold harmless Company from any claims and damages arising out of or associated with this agreement.
9. **Company guarantees to deliver the highest quality textile rental service at all times. Any complaints about the quality of the service which have not been resolved in the normal course of business must be sent by registered letter to Company's General Manager. If Company then fails to resolve any material complaint in a reasonable period of time, Customer may terminate this agreement provided all rental items are paid for at the then current replacement values or returned to Company in good and usable condition.**
10. Additional Customer employees, products and services may be added to this agreement and shall automatically become a part of and subject to the terms hereof this agreement, and subject to all of its provisions. If this agreement is terminated early, the parties agree that the damages sustained by Company will be substantial and difficult to ascertain. Therefore, if this agreement is terminated by Customer prior to the applicable expiration date for any reason other than documented quality of service reasons which are not cured as set forth above, or terminated by Company for cause at any time, Customer will pay to Company, as liquidated damages and not as a penalty, the greater of 50% of the average weekly invoice total multiplied by the number of weeks remaining in the unexpired term, or buy back all garments and other products allocated to Customer at the then current replacement values. Customer shall also be responsible for any unpaid charges on Customer's account prior to termination.
11. Any dispute or matter arising in connection with or relating to this agreement shall be resolved by binding and final arbitration. The arbitration shall be conducted pursuant to applicable state or federal arbitration law. Any such dispute shall be determined on an individual basis, shall be considered unique as to its facts, and shall not be consolidated in any arbitration or other proceeding with any claim or controversy of any other party. The exclusive jurisdiction and forum for resolution of any such dispute shall lie in the state where Customer is located.
12. Customer certifies that Company is in no way infringing upon any existing contract between Customer and any other service provider.
13. This agreement contains the entire agreement of the parties with respect to the subject matter of this agreement and supersedes all prior negotiations, agreements and understandings with respect thereto. This agreement may only be amended by a written document executed by all parties.
14. This Agreement may not be modified, amended or supplemented except in writing signed by an authorized representative of Cintas, provided, however, if a Federal, state or local governmental body or its representative is a party to this Agreement, the proposed modification, amendment or supplement must be in a writing signed by a President or Senior Vice President of Cintas.
