Sidewalk Work!? You're Trippin'!

You're trippin', but we hope that with the start of our sidewalk repair, you won't be!!

South Weber City is working on repairing our sidewalks throughout the entire city and we're starting on Deer Run Drive! We currently have a list of locations where sidewalk repair is necessary - and we will be pushing through that list as much as we can until we've reached our budgeted limit.

Have concerns about any certain areas in the city? Give us a call and let us know! Chances are we already have it on our list, but better to be safe than sorry!

City Hotline

ON March 22, 2022 the City Council adopted a City Hotline policy as part of the Policies and Procedures.

The Hotline provides an avenue for citizens, including public employees and contractors, to report improper governmental activities including:

- Waste or misuse of public funds, property, or manpower
- Violations of a law, rule, or regulation applicable to the government
- Gross mismanagement
- Abuse of authority
- Unethical conduct

South Weber Citizen Spotlight

Cole Buchanan is 6 years old. His parents are Brad and Brooke Buchanan, and he has 2 brothers, Bridger and Weston (who watches over him from heaven). He loves South Weber and loves being outside and playing with all the neighbor kids. He loves South Weber Days, especially the parade, and his parents are grateful for the supportive friends and family he has here. He loves going to school and just finished Kindergarten. He especially loves riding the bus! He's a very social kid, and makes friends wherever he goes!

Cole was born with OTC deficiency and received a liver transplant when he was 3 months old. It was a very rocky road from there and he spent a lot of time in the hospital. The doctors said it was hard to tell how he would develop and grow, but they told his mom, Brooke, not to put a roof on his head.

Though he took a little longer than most, now he is doing better than ever. He can say

over 20 words and also uses sign language and a device to make his voice heard. He has learned to read and was the top reader in his kindergarten class. He goes to many therapy sessions, but loves them all, because he wants the chance to learn and show all he can do. He can walk on his own and is racing around the house and neighborhood. As his mom said, "Cole has taught us big lessons. He does things in his own time, in his own way." We love having Cole here in South Weber!!!
